Communicating with Families (3hr)

Family members and friends of an individual with a Substance Use Disorder often have many questions and concerns. They rely on treatment professionals and peer support workers to explain what is happening to their family and to understand the impact of SUD on their family and they need information on how they can best help and support their recovering loved one. This workshop provides strategies for professionals to communicate effectively with families of patients receiving treatment services.

October 8th 9am-12pm Beaver County Behavioral Health - 1050 8th Ave., Beaver Falls, PA - Conference Room, 2nd fl.
