

The CCAR Recovery Coach Academy® is a 5-day intensive training academy designed to provide individuals with an understanding of both the art and science of Recovery Coaching. Delivered in a retreat like environment, the CCAR Recovery Coach Academy® prepares participants to guide and mentor others in recovery from an addiction to alcohol and or other drugs. By focusing on the goals of the individuals being served, participants will learn the key fundamentals of this rewarding work, which CCAR has identified as actively listening, asking really good questions, and treating people as their own best resource, all while discovering and managing our own stuff.

CCAR RECOVERY COACH ACADEMY® PARTICIPANTS WILL:

- Describe Recovery Coach role and functions
- List the components, core values and guiding principles of recovery
- Build skills to enhance relationships
